What's Cooking?

At school, there's always a meal ready to be served!

Some mornings, it's tough to find the time to make sure your kids are eating a nutritious breakfast. On those days, why not send them to the school Breakfast Program?

Each meal meets government nutritional guidelines & standards. Schools are required to provide a breakfast meal that includes fruit, whole-grain rich items, & low fat or fat free milk. Check your child's menu to see the variety of nutritious choices available at school Breakfast.
